

## My Far More Story Men's Breakfast Life Group

Friday mornings, 7:00 @ Café Miele in Orland Park

*7 of the more than 10 men who attend this Life Group*

On December 5, 2025, the men's breakfast Life Group was approached by their waitress, Michelle, asking them to pray for her son, Patrick, and his wife Ashley, as they were having pregnancy difficulties.

Ashley was approximately five months along. Later that day the baby had to be delivered. They named the little boy Aidan. He weighed less than 1 pound at birth.

Prayers continued around the United States as Aidan lay in the NICU connected to life support. This month Aidan

celebrated his 7-month birthday!

Bob Hodges said, "We are praising the Lord each day for Aidan's continued growth and that our group has shown the power of prayer to Ashley, Patrick & Michelle."

This group of men has made a profound difference as they have supported Michelle. She said, "This group is amazing and has had such an impact on our lives!"

There is *far more* to share...you'll have to ask one of the guys for the rest of the story.
